

Emma Stoumen

I am looking for an opportunity to bring my enthusiasm and strong work ethic to Starbucks. I am looking forward to learning everything I can about being a store team member, not only to broaden my experience, but to become an essential asset to Starbucks.

EXPERIENCE

Chris Harburg Photography, Chapel Hill NC — *Part Time Wedding Photography Assistant*

MARCH 2014 - PRESENT

Duties include providing 200 to 400 high quality photographs per wedding in addition to setup and teardown of studio equipment. Assist in portrait positioning and detail control. Interact with client base to help facilitate logistics. Position requires strong communication and multitasking skills to manage high stress and rapidly changing environment.

Information Patterns, Chapel Hill NC — *Jr. Web Developer*

NOVEMBER 2015 - DECEMBER 2015

Duties include providing 200 to 400 high quality photographs per wedding in addition to setup and teardown of studio equipment. Assist in portrait positioning and detail control. Interact with client base to help facilitate logistics. Position requires strong communication and multitasking skills to manage high stress and rapidly changing environment.

VOLUNTEER WORK

The Arts Center, Carrboro NC — *Camp Counselor*

JULY 2012 - AUGUST 2012

Duties included supervision of grade-school aged children. Responsible for helping to engage them through active participation and visualization of camp activities including arts and crafts, dancing, singing and cognitive play. Responsible for keeping constant attention to their safety and well being including keeping track of and returning each child to their parent every day. Also provided staff support for camp teachers. Duties included providing assistance in regulation of supplies, thorough cleaning of the center after hours and miscellaneous tasks.

Spence's Farm, Chapel Hill NC — *Junior Camp Counselor*

JULY 2011

Duties included supervision of grade-school aged children in a live farm environment. Activities included taking care of various farm animals, nature excursions and harvesting produce from a working farm. During these activities serious supervision was required to ensure that no child was harmed or caused harm to animals or property.
